In response to RFAI dated January 2, 2017, please see the amended October Quarterly Report filed today, 2/06/2017. This amendment corrects cash-on-hand, and totals in lines 7, 23, 31 and 32, Column A and B. These totals carry forward correctly to the 12 Day Pre-General Report. The amendment includes a 9/30/2016 payment to the Democratic Congressional Campaign Committee for \$8400 (page 11). Due to a clerical error, this payment was inadvertently omitted from the original October Monthly Report. We have reviewed our reconciliation process and made appropriate changes to avoid such an omission in future reports.
